# WELCOME.

## Dear Customer,

our current catalogue offers a wide range of display spinners and other displays. Based on many international references and sample images we show suitable solutions and designs, ordered by category of media product that will make it easier for you to choose.

The modular design of our spinner systems make it possible to mix and match the bases and the shapes shown in the various categories. Select the model that suits your needs best, based on the formats, the capacity and the application in the location it will be used.

To make our catalogue easy to use, the icons shown below are intended to identify display specifications and general finishing and colour. Should you have any further question, please do not hesitate to contact us. With the best wishes for your success in promotion and sales, we look forward to receiving your order.

Your Hannecke Team

## PRODUCT SPECIFICATION\*
